From Academy Award-nominated director Richard E. Robbins the film, Girl Rising journeys around the globe to witness the strength of the human spirit and the power of education to change the world. Viewers get to know nine unforgettable girls living in the developing world: ordinary girls who confront tremendous challenges and overcome nearly impossible odds to pursue their dreams. Prize-winning authors put the girls’ remarkable stories into words, and renowned actors give them voice.

Girl Rising uses the power of storytelling to share the simple truth that educating girls can transform societies. Girl Rising unites girls, women, boys and men who believe every girl has the right to go to school and the right to reach her full potential.
