### People & Places

The 16-week Culinary Arts Certificate Program offers a combination of hands-on experience in the Culinary Institute's catering business and classroom education. Students are prepared for entry-level positions in restaurants, hospitality and the food service industry. From left, Shakira F., Chef Hector Manon, Jonah S., and Giovanni Guarneri.

### ARC training programs help carve career paths

By JUNETTE REYES  
Staff writer

Special analysis reports that ARC Broward's post-secondary educational programs are not just for-profit organizations providing certificates and diplomas, but also offering hands-on training for individuals who are looking to gain employment in the industry.

The not-for-profit organization provides certificates and diplomas to individuals who are looking to gain employment in the industry. The program is designed to provide students with the skills and knowledge needed to succeed in the industry.
