1. What is it?	
1. We did not access this service.	
1. Yes for a time. It was removed at hospital. Then patient lost it at home. Because of his foot problems, we have not yet replaced his ankle locator but do plan to do so as soon as his foot problem heals.	
2. No need of that.	
2. Do not know how to change battery day care does it.	
4. As soon as we replace his locator.
