Registration Information

Athletes must arrive at least one (1) hour prior to competition to register. Registration will be located on the left side of the rink after you enter the building. Athletes will receive their ID badge, T-shirt, and turn in their competition music at registration. The athlete's ID badge is needed to gain admittance to specific areas and events during the weekend. The badge will also get all competitors into the Athlete Party on Saturday evening, February 9. Athletes should wear their ID badge at all times with the exception of when the skater is performing. ID badges are non-transferable and may only be used by the athlete.

- CD-R Media is the only acceptable forms of media. No iPod's or mp3's
- CDs must be clearly marked with the skaters name, flight number and music length. CD sleeves will be supplied by Bay State Games when athletes check in
- Each CD-R must have only ONE (1) track on it
- Lead in time (time before the music begins) on CD-R may not exceed two (2) seconds
- Due to compatibility and reliability reasons, music may NOT be submitted on re-recordable "CD-RW" discs
- Competition music must be turned in at the registration desk at the time of registration

*In the event that music does not work, the Bay State Games has a specific policy that will be followed in the order listed below. No other alternatives will be allowed other than what is listed. We will move immediately through the following steps to avoid additional delays.

1. If the first CD does not work, the athlete can present a second CD for the main player
2. If this does not work, CD 1 and 2 can be tried in a back up player tied to music system
3. If this does not work, the CD can be played on a portable CD player that will be played through the PA system at the rink
4. If this does not work, the athlete will skate with no music

Dressing Areas

The dressing room is located next to the registration tables. Bathroom facilities are available in this room. Competitors must use the assigned locker room for changing and make-up, NOT PUBLIC BATHROOMS. The locker-room is only for your use when you compete. USFS skaters will be allowed to have a judged exhibition in flights with less than two skaters. The 2019 State Games of America will be held in Lynchburg, Virginia at Liberty University and Ice Facilities in Roanoke, VA. Competition dates are July 31 – August 3 with the potential of starting earlier in the week based upon the number of skaters that enter.

The top three places, by state, in each event at the Bay State Games, will receive invitations to the State Games of America. For example, if a flight has 1st, 2nd and 3rd from Massachusetts, 4th from New Hampshire and 7th from Maine, all of these athletes will receive invitations to SGA.

At the Bay State Games, athletes who win a Gold, Silver or Bronze medal will receive their State Games of America invitations along with their Bay State Games medals on the award stand at award ceremonies held during each ice make.
