### **GAME PLAY**

Any Technical Foul is 2 shots + possession of ball at half court.

Free Throws on Release, not on rim contact.

### **TIME OUTS**

Each team is allowed 2 timeouts per regulation half (no carryover)

Each team is allowed 1 Time Out per overtime period.

### **OVERTIME**

An Overtime period will consist of 2 minutes (1 minute run time, 1 minute stop time).

If the game goes into a 3<sup>rd</sup> Overtime period, Sudden Death will be enforced (first team to score in 3<sup>rd</sup> overtime period wins).

### **JERSEYS**

Home Team – The top/left team on the schedule shall be the home team and shall wear white or light colored jersey.

Home team shall sit on the scorekeepers left.

Visiting Team – shall wear dark jerseys and sit on the scorekeepers' right.

### **ADDITIONAL RULES**

- There will be only one head coach standing or sitting ( all others coaches will be seated)
- Teams may choose to provide a book keeper and will be the tiebreaker if Scoreboard & Official Book do not match. Home team will be considered the tie-breaker. If Home team does not provide a book keeper, Away team will be tie-breaker.
- Teams will receive a + or – after each game based on the game's point differential. The max +/- is 15. Any forfeited games will be scored 15-0, resulting in +15 to the winning team and -15 to the forfeiting team.
- 10 seconds to advance ball across half-court line (boys & girls)
- 5 seconds closely guarded & held (boys & girls)
- Players may not participate wearing jewelry or hats (girls – no metal in hair. i.e. bobby pins)
- Unsportsmanlike behavior will not be tolerated – players, coaches and parents can be removed from the facility and future games.
- **ANY COACH OR PLAYER WHO IS EJECTED FROM A GAME WILL BE FORCED TO SIT OUT THEIR NEXT GAME. NO EXCEPTIONS.**

### **POOL PLAY TIE-BREAKER**

1. In any situation where two (2) teams are tied, head-to-head competition will determine the winner. In the event that the two teams have not played each other, point differentials will determine winner. If tied, coin flip.
2. In a 3-way tie:
  - a. if one team has played and beat both other teams, they will advance. After one team has been removed from the tie-breaker, tie-breaker reverts back to first step of tie-breaker formula with two teams.
  - b. If (a.) does not apply, a point differential tie-breaker will be applied. Head-to-Head does NOT matter in this scenario. The point differentials for each team will be totaled using ALL tournament games played. Teams are then ranked according to the sum of the point differential – with the highest number placing first, the second highest placing second, and so on.
  - c. If three (3) teams are still tied after point differentials are totaled, a three-way coin flip will decide the teams moving on. (each team flips a coin, odd coin out)
  - d. If two (2) teams are still tied after point differentials are totaled, then Head-to-Head (Tie-Breaker #1) will apply. If the teams did not play against each other, coin flip will decide who moves on.

## **2020 CALIFORNIA STATE GAMES** **Roster & Protest Rules**

### **ROSTERS & PLAYER ELIGIBILITY**

Age is based on September 1, 2020. Age determines division eligibility, not grade.

\*Up to (3) Age-Exception Players are allowed per team ONLY IF the proper paperwork is turned in and approved (Birth Certificate, Report Card/School I.D. & Age Exception Form). All 3 forms are needed in order to be approved & **coach MUST keep extra copy on hand for ALL games.**

- Teams are allowed to add to rosters prior to start of first game as long as all necessary paperwork has been approved. Players may not be added to roster after the first game unless Tournament Director decides that it is fair to do so.
- Players may compete on multiple teams ONLY if the 2<sup>nd</sup> team is at least 1 age division higher than their current age AND if that team is within the same organization. Age exception players are NOT allowed to play on multiple teams as that would be considered "playing down". Players cannot play on 2 teams within the same age group, for example 12U D1 & D2. Schedules will not be accommodated for players on 2 different teams.
- Any exceptions to these rules MUST be in writing from Tournament Director Sandi Hill. If you do not have written proof, then the player is NOT approved.

### **PROTESTS & PENALTIES**

No protests shall be made on the playing rules. Otherwise, protests must be submitted in writing and handed directly to the On-Site Tournament Director. A protest fee of \$50 will be implemented.

1. Tournament Director's ruling will be FINAL.
2. For all protests, the burden of proof will lie on the Challenged Team. Challenged Team must show proper documentation for protested players.
  - a. If a protest is made against an individual player's eligibility, the Challenged Team must show the players Birth Certificate. If the player is an Age-Exception player, the player's report card or school I.D. showing proof of grade must be shown as well.
  - b. If a protest is against a team using players NOT on the official roster, the Challenged Team must provide their official roster and all player documentation. Tournament Director will review the team as needed to determine if an ineligible player is being used.
3. Any roster or player protests must be made prior to the start of a game unless it is obvious that that the scenario was unknown until the game had already begun. If a team protests a player or roster AFTER a game was just played, the protest can be ignored if it appears as though the team gained an advantage by not reporting their protest immediately.
4. In all Protest Scenarios, if Tournament Director has proper documentation on file, Tournament Director can choose to show proof of eligibility for the Challenged Team, but Challenged Team should NOT rely on this.

\*If a team is found to have broken the Roster or Player Eligibility rules, they will be automatically disqualified from Medal games.

\*\*All games played with illegal players (before protest) will be forfeited.

\*\*\*Any games played after the protest (if using only approved players) will still count towards standings but will not change the team's medal ineligibility.
