Job Title: Counselor-Contract

Location: Tallahassee

Position Description

Contracted Counselor's provide individual and family therapeutic interventions in the office, client homes, schools and in the community with children who display serious emotional disturbances and other emotional disorders. Services are provided to children in Leon, Wakulla, Gadsden, Franklin, Liberty and Jefferson Counties.

Service tasks include:

- Demonstrate competency in therapeutic skills and evidence based or best practice approaches through on-going professional growth, development activities and case reviews
- Completion of Intake Assessments and initial admission diagnostic paperwork
- Completion of individual and family therapeutic interventions as prescribed in the treatment plan
- Completion of treatment plans and progress notes according to the requirements of funders and insurance companies
- Completion of clinical documentation within established time frames
- Monthly contractor meeting and consultation
- On-going assessment of client progress utilizing outcome measures and other assessment tools
- Participate in treatment team meetings when applicable

Educational and Experience Requirements

Masters degree in social work, counseling or related field from a four-year accredited college or university and experience working with children/adolescents in a therapeutic treatment environment.
