**Job Title: Counselor, Intensive Reunification Program**

**Location: Ocala**

**Position Description**

**Master's degree with strong clinical background. Clinical program that covers parenting skills. Travel required within County assigned.**

1. Demonstrates competency in therapeutic skills and evidence-based or best practice approaches through on-going professional growth and development activities and case review.
2. Utilizes outcome measures and other reports (when applicable) in each client's treatment by reviewing initial and quarterly measures and reports and bases treatment plans and interventions on issues identified through continual assessment.
3. Maintains electronic and paper clinical files according to company policy and applicable regulations.
4. Completes clinical documentation within established time frames.
5. Attends and actively participates in weekly supervision including follow-up with supervision recommendations.
6. Works with team to create and update all client and family centered Treatment Plans, assuring that all plans meet Camelot policies, state and federal law/rules, funding requirements and COA standards in a timely manner.
7. Provides individual, group, and family therapeutic interventions as outlined in the Treatment Plan.

**Educational and Experience Requirements**

Master's degree preferred in a Human Service discipline from four-year accredited college or university and experience working with children/adolescents in a therapeutic treatment environment and in compliance with State or contractual requirements.
