

*Bringing Families Together  
For A Bright Future.*

## **Make it a Great Back to School**

Do you remember the nervous excitement you had as the first day of school approached. You felt it as a child and you may now feel it as a parent sending your own children off to school. In our Foster Care programs, we are getting more than 500 children ready for the first day of the school. For many of them, it will be the first day in a new school and their first time in school not living with their biological family.

Our school supply drive is in overdrive and we are always in need of new supplies, especially backpacks. If you would like to donate school supplies, please contact Sandy Bowman via email [sbowman@camelotcommunitycare.org](mailto:sbowman@camelotcommunitycare.org) and she will help arrange for drop off at the Camelot program in your area.

## **Miami Foster Care Program**

We are excited to announce that Camelot will be starting a Treatment Foster Care Program in Miami-Dade County. The Lead Agency for Foster Care services, Our Kids of Miami-Dade & Monroe, has asked Camelot to begin recruitment of these

specialized foster homes that serve children who have experienced significant trauma from the abuse and neglect they experienced. To learn more or share the news, please visit the Miami Foster Parenting page on our website.
