Revisions to Exhibit "A" (General Conditions) for FY 17-18

As stated in your contract these General Conditions are incorporated by reference and are part of the contract. The following substantive changes were made to the General Conditions since the release of the FY 16-17 General Conditions last year:

1. While not a substantive change, a Table of Contents has been added for convenience. These sections and subsections can be clicked on to take you to that location in the document.
2. Section 1.c.i. has been clarified with respect to those individuals requiring a level 2 background screening. Additionally, Providers are now required to notify the School District if a screened employee is no longer an employee of the Provider.
3. Section 2.i. has been revised to be consistent with CSC's process for improvement/corrective action plans.
4. Section 4.C., in the third paragraph, has been revised to note that the timeliness of automated data submission may be specified in Exhibit "B" as something other than that set forth in the General Conditions.
5. Section 4.f. has been revised to set forth the requirement dates for submission of specified documents and to explain the process and timing for seeking extensions of submitting those documents.
6. Section 5.a. has been given an example to clarify the number of required audits where a Provider's fiscal year ends prior to the term of the Agreement. Section 5.a. has also been revised to provide that the deadline for submitting Provider's audit and management letter is now six (6) months after Provider's fiscal year end (not 180 days).
7. Section 6.a. has a new URL for the Fiscal Guidelines, so that this section will need not change in future years. The "then-current" Fiscal Guidelines will be specified by the fiscal year on the webpage containing that document.
8. Section 10.a. has been revised to provide that the subcontract provisions, if applicable, are those required by the "then-current" Lead Agency Administrative Guide. As with Section 6.a. the URL for the Lead Agency Administrative Guide has been changed.

EXHIBIT "A"
GENERAL CONDITIONS

The Agreement entered into between the **Children's Services Council of Palm Beach County** (the "Council") and the **Provider** shall be subject to these General Conditions.

1. Administration

a. Services Rendered

The services to be rendered by the Provider shall be delivered in compliance with all terms and conditions set forth in this Agreement, which incorporates by reference **Exhibits "A", "B", "C"** and (as applicable) **"D"**, as well as all other exhibits, attachments and appendices, where applicable. Provider shall not discriminate against an employee, volunteer, or client of Provider on the basis of race, color, gender, marital status, familial status, sexual orientation, gender identity or expression, religion, national origin, disability, age, or any other characteristic protected by law, except that programs may offer services for specific target groups as may be defined in this Agreement. Provider shall implement and deliver these services in a manner deemed satisfactory to the Council.

b. Cultural Competency

The Provider will make every effort to ensure its staff has the cultural competency and language skills to work successfully in the community with the population being served.

c. Screening

- i. All Provider staff whose compensation is funded in whole or in part by the Council and all volunteers and consultants working on the program funded under this Agreement whose job function involves engagement, interaction, or communication with children in any way must complete a satisfactory Level 2 background screening (as defined in Section 435.04, F.S.) and be satisfactorily rescreened every five (5) years thereafter. Where the level 2 screening has been done by the School District of Palm Beach County, a copy of the badge provided by the School District for each applicable employee will constitute the required documentation. Providers using this service are required to notify the School District if one of its screened employees is no longer an employee of the Provider and to comply with any other School District requirements for such a situation.
- ii. All Provider staff hired during the term of this Agreement whose compensation is funded in whole or in part by the Council shall be checked using the E-Verify Program of the Department of Homeland Security within three (3) business days of their date of hire. (The Provider is encouraged to use E-Verify program for all new hires.)
- iii. All documentation/results of the required background screenings and E-verify checks for the Provider's staff, and volunteers and consultants will be retained at the Provider's office location and will be produced upon request of the Council. Should any applicable employee's, volunteer's or consultant's satisfactory background screening results change, the Council must be notified in writing within five (5) days of Provider becoming aware of such change.

d. Child Abuse Reporting

All staff working in Council-funded programs will follow the child abuse reporting requirements under Florida law. Provider shall immediately report knowledge or reasonable suspicion of abuse,

neglect, or abandonment of a child, aged person, or disabled adult to the Florida Abuse Hotline on the statewide toll-free telephone number (1-800-96-ABUSE). As required by Chapters 39 and 415, Florida Statutes, this is binding upon both Provider and its employees, volunteers and subcontractors.

e. Changes

The Provider shall:

- i. Notify the Council in writing within five (5) business days of any changes that affect the provision of the services, such as changes in the board chair or personnel (specifically including changes of the Executive Director, Chief Financial Officer [for a change in the CEO/ED or the CFO, notice is to be given within three (3) business days], or Program Director [or their equivalent], or the elimination of a position that is, in whole or in part, funded by the Council.
- ii. Obtain written Council approval for any proposed changes in the program prior to implementation.
- iii. Obtain written Council approval for any proposed changes in the amount of the program budget prior to implementation.
- iv. Notify the Council in writing of any changes in name, address, telephone number of Provider (including changes in administrative and service locations within ten (10) days of such change).
- v. Notify the Council in writing of any cash flow shortage situation within ten (10) days of such change. "Cash flow shortage" for the purposes of this Agreement is defined as the inability at the Provider agency level to pay, from cash on hand, any or all of its current obligations when due. "Current obligations" are defined as payroll and associated payroll taxes, payments to vendors for employee benefits, payments to vendors for operating expenses, payments against credit lines and other secured notes.

f. Meetings

A designated Provider representative(s) shall attend and participate in all contract – related meetings called by the Council or its staff.

g. Code of Conduct/Doing Business with CSC

Provider acknowledges reviewing and agrees to abide by the Council's "Code of Conduct" and "Doing Business with CSC" provisions, copies of which are available upon request and are also available on the Council's website (www.cscpb.org/openprop) and which are incorporated herein by reference.

h. Definition of "Days"

Unless otherwise stated, the use of this term "day" means calendar day. If a time period of a given number of days concludes on a weekend or on a holiday recognized by the Council, the time period shall be extended to the next Council business day.

2. Compliance with Laws and Policies

a. Compliance with Laws

The Provider agrees to comply with all applicable federal, state and local laws in effect at the time of execution of this Agreement and as amended thereafter during the term of this Agreement, and affirms that it has not been suspended or debarred from the receipt of federal, state or local funding as stipulated under Federal Executive Orders 12549 and 12689.

b. Public Entities Crime Act

Provider will not violate the Public Entities Crimes Act (Section 287.133, Florida Statutes), which essentially provides that a person or affiliate who is a Provider, consultant or other provider and who has been placed on the convicted vendor list following a conviction for a Public Entity Crime may not submit a bid on a contract to provide any goods or services to the Council; may not be awarded or perform work as a Provider, supplier, sub-provider, or consultant under a contract with the Council, and may not transact any business with the Council in excess of the threshold amount provided for Category Two purchases in section 287.017, Florida Statutes, for a period of thirty-six (36) months from the date of being placed on the convicted vendor list.

c. Confidentiality

The Provider shall not use or disclose any information concerning a client served under the Agreement for any purpose not in conformity with federal and state laws and regulations **except** with the written consent of the client or his/her responsible parent or guardian, or when authorized by law. The Provider agrees to establish and maintain reasonable procedures and controls for safeguarding records so that no information contained in the Provider's records, or obtained from others carrying out the terms of the Agreement, shall be used by or disclosed by the Provider, its agents, officers or employees, except as provided by law. It shall be the responsibility of the Provider to take all reasonable steps necessary to implement promptly such procedures and controls in order to protect the privacy of a client receiving services under a program provided hereunder and in order to ensure the maintenance of confidentiality for any medical or other information pertaining to such client.

d. Accreditation

The Provider authorizes Nonprofits First, Inc. (Nonprofits First) to share with the Council the results of the Agency Accreditation Tool and any reports generated from consequent technical assistance. The Provider will have obtained and shall maintain the basic level of nonprofit accreditation with Nonprofits First during the term of this Agreement. Renewal of the Agreement will be at the discretion of the Council and shall be subject to the maintenance of such accreditation. If this is the first year of Council funding, the Provider shall have obtained the basic level of accreditation within the time frame pursuant to the policy established by the Council (and acknowledges receipt of that policy, including the time frames for the milestones to be met during the process of obtaining accreditation) and shall thereafter maintain accreditation in order to be eligible for renewed funding. This requirement does not apply to for-profit entities, municipalities or other governmental entities.

e. Policies

The Provider will comply with the Council's Nepotism policy, which is available on the Council's website and which is incorporated by reference.

f. Social Security Numbers

For most programs, the Council does not require Providers to collect social security numbers on its behalf. If Provider is collecting social security numbers on behalf of the Council then the Provider agrees to give to its clients the statement regarding social security numbers, prepared by (and available upon request from) the Council, at such time that the Provider collects social security numbers from its clients.

g. Inspector General

The parties to this Agreement are aware that the Inspector General of Palm Beach County has the authority to investigate and review matters relating to the negotiation and performance of this Agreement, and in furtherance thereof may demand and obtain all records and documents in possession of the Council's contractors and subcontractors and lower tier subcontractors, as well as, any other person or entity doing business with the Council or receiving Council funds. The Provider understands and agrees that in addition to all other remedies and consequences provided by law, the failure of the Council's contractors and subcontractors and lower tier subcontractors, as well as, any other person or entity doing business with the Council or receiving Council funds to fully cooperate with the Inspector General when requested may be deemed by the Council to be a material breach of this Agreement justifying its termination.

h. Scrutinized Companies

In executing this Agreement, if it is for \$1,000,000 or more, Provider certifies that it is not listed on the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List or the Scrutinized Companies that Boycott Israel List, all created pursuant to section 215.473 or 215.4725, Florida Statutes nor is Provider engaged in a boycott of Israel (as defined in 215.4725, F.S.). Pursuant to section 287.135, F.S., Provider agrees the Council may immediately terminate this Agreement for cause if the Provider is found to have submitted a false certification or if Provider is placed on the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List or the Scrutinized Companies that Boycott Israel List, or is found to be engaged in a boycott of Israel during the term of the Agreement.

i. Progressive Intervention/Corrective Action

If, during the term of this Agreement, there are deficiencies with Provider's compliance with this Agreement, the Provider will be advised in writing about the requirements necessary to correct any non-compliance problems. Corrective action shall be taken by the Provider to correct identified deficiencies, produce required improvements or demonstrate that deficiencies or findings are either invalid or do not warrant action. If appropriate, as determined by the Council, the Provider may be required to comply with an improvement plan or corrective action plan. Failure to comply with the requirements of a progressive intervention/ corrective action plan may lead to termination of this Agreement. Termination under this Agreement, as set forth in other sections below, is not subject to the Council's compliance with subsection 2.i. provisions.

3. Records/Access

The Provider agrees to comply with the following requirements:

- a. To maintain its financial books, records and documents in accordance with generally accepted accounting procedures and practices, so that they sufficiently and properly reflect all expenditures of funds provided by the Council under this Agreement.
- b. To ensure that these records are available for inspection, review or audit by persons duly authorized by the Council to make such inspection, review or audit.

- c. To retain all financial records, supporting documents, statistical records and any other documents pertinent to the Agreement for a period of six (6) years following termination of the Agreement or, if an audit has been initiated and audit findings have not been resolved, the records shall be retained until resolution of all such audit findings.
- d. To acknowledge that the Council is a public agency subject to Chapter 119, Florida Statutes and that the Provider shall comply with Florida's Public Records Law. Specifically, the Provider shall:
 - i. Keep and maintain public records required by the Council in order to perform the service required under this Agreement;
 - ii. Upon request from the Council's custodian of public records, provide the Council with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S. or as otherwise provided by law.
 - iii. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the term of the Agreement and following completion of the Agreement if the Provider does not transfer the records to the Council.
 - iv. Upon completion of the Agreement, transfer, at no cost to the Council, all public records in possession of the Provider, or keep and maintain public records required by the Council to perform the service required under this Agreement. If the Provider transfers all public records to the Council upon completion of the Agreement, the Provider shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Provider keeps and maintains public records upon completion of the Agreement, the Provider shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Council, upon request from the Council's custodian of public records in a format that is compatible with the information technology systems of the Council.
 - v. **IF THE PROVIDER HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE PROVIDER'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:
RECORDS CUSTODIAN

2300 HIGH RIDGE ROAD

- e. To permit persons duly authorized by the Council to have full access to and the right to examine:
 - i. Any of the materials described in section 3.a. – d. during the term of this Agreement; and
 - ii. The premises where the program funded by the Council is conducted, for purposes of monitoring said program.

4. Reports/Submission of Information and Documents/Data Quality

a. Reports

The Provider shall maintain and file with the Council such progress, fiscal, inventory, and other reports as the Council may require during the terms of the Agreement.

b. Program Data

The Provider shall submit to the Council program data, including (i) to the extent permitted by law, client identifiable data and (ii) status of program capacity (staff to client/child/family ratio) as required by the Council. The Provider shall also furnish the Council with: reports of the effectiveness of the program or the required data to determine effectiveness; statistics and data on the number of persons served; and such other reports, data, and information that the Council may require to evaluate the effectiveness of the program. These reports shall be made as requested from the effective date of the Agreement and in a format provided by the Council. The Provider shall also inform the Council of, and allow the Council to review and comment on, any evaluation of the program conducted by a third party.

c. Data Requirements

As a data-informed organization, the Council expects the Provider to collect and use program data for the purposes of ensuring continuous quality improvement and accountability toward achieving the Program's outcomes. Provider will support these efforts by submitting high quality data. Data is considered of high quality when it is accurate, timely, and complete.

High quality data accurately reflects the client, his/her participation in the program and outcome status. Data that is of high quality does not contain: invalid values (e.g., dates of birth in the future, assessment scores out of range); information that is contradictory to other information submitted; duplicate cases; data that is entered in an inconsistent format; and similar errors.

Timely data is defined based upon the type of submission: manual (typically, cumulative data) and automated (real time data). Manual data submission includes quarterly reports, Excel spreadsheets and ACCESS database files; timely is considered to be data that is provided on or before the specified due date. Automated data submission includes data provided through entry into a Council designated data system(s); timely data entry is defined as occurring within a specified timeframe from the date of the activity, set by the policies and procedures of the system in which they are operating. Provider agencies using Healthy Beginnings Data System (HBDS) must submit data within 3 business days of the activity; and Strong Minds Providers must submit within 2 business days of the activity. Timeliness of automated data submission will be monitored using the reporting functions of the various data systems, unless otherwise specified in Exhibit "B".

Completeness of data refers to the extent to which all data fields that require data are completed, do not contain missing data, or a significant number of responses of "Unknown". Required data includes data that must be entered into an automated system in order to save the information as well as information that is requested by the Council for evaluation and program monitoring purposes.

Demographic, screening/assessment and participation and other related data is required for all clients enrolled in a program (data requirements for "Strong Minds" providers are set forth in Exhibit "B"). Outcome data must be collected and entered on all clients who received program services, regardless of whether the recommended dosage was given or not. Clients who are eligible for

evaluation of outcome achievement include those who have received the recommended dosage and/or who have participated for a designated length of time as specified by the program model. This would include recommended length of services and/or follow-up periods designated (e.g., no abuses in verified abuse reports 12 months' post program completion). For programs that do not have designated dosage, clients who are discharged with completed services are eligible for evaluation of outcome achievement. In order for outcomes to be evaluated, data for each outcome needs to be complete and accurate for 85% or more of the clients who are eligible to be assessed for each outcome. The Council will work with the Provider to make available resources and tools to assist with ensuring high quality data.

When poor quality data (inaccurate, incomplete, and/or late) is identified, it is the expectation that the Provider shall address and resolve the identified issue(s). If the issue(s) is not resolved within a specified time frame agreed upon with the Council's Program Officer, Progressive Intervention/ Corrective Action may be required.

d. Threatened or Pending Litigation

Provider shall report to the Council during the term of the Agreement any threatened or pending litigation against the Provider, including a description of the nature of the claims involved, and, upon request, to furnish information on the status of and copies of pleadings filed in such litigation.

e. All Revenues

Provider shall accurately report to the Council, in a format deemed acceptable by the Council, all revenues regardless of source received by or for the program funded pursuant to this Agreement. Revenues include, but are not limited to, Medicaid or insurance reimbursement, donations, grants, and program income; i.e., fees paid for services. In the event the Provider fails to properly report all program revenues and the Council subsequently learns that such income was not properly disclosed, the Council reserves the right to reduce the amount to be paid to the Provider by the Council by the amount not disclosed (or, if payment has already been made, to recover said amount), or to terminate the Agreement, or both.

f. Documentation

Provider shall submit and maintain on file with the Council a current copy of the following, as identified in Exhibit "B" section 6. "Other Required Documents", which shall state the Provider is "up to code" or similar language indicating that no licensing or certification issues exist (or, with respect to a Fire Inspection Certificate, that any items revealed by an initial inspection have been satisfactorily dealt with):

- i. Certificates of Insurance, as required by section 9. below;
- ii. Service site(s) Fire Inspection Certificate(s) to be provided to the Council within 5 days of the execution of this Agreement, showing Provider as "up to code" (or similar language) as of the Effective Date this Agreement. (if Provider changes or adds service sites, Provider will notify its Council Program Officer of the new time frame for fire inspections for such sites, and provide certificates in accordance with that timeframe);
- iii. HIPAA Business Associate Agreement (signed copy to be provided with this Agreement if not previously signed, and also within 30 days when revised);
- iv. Audit, as required by section 5 below.

Providers are encouraged to submit required documents electronically to compliance@cscpsc.org (note, pursuant to section 5.a. below an audit in an electronic format must come from the

Provider's auditor). Physical delivery of documents (including U.S. mail, courier service, or hand-delivery) should be to:

Attention: Compliance
Children's Services Council of Palm Beach County
2300 High Ridge Road
Boynton Beach, FL 33426

With respect to seeking extensions for required documentation, the following provision shall apply:

- i. **Fire Inspection Certificates:** An extension, in writing (e-mail suffices), must be requested of your Council Program Officer **at least one business day before** the due date, if full compliance has not been reached. Fire inspection Certifications must be provided for all sites where children and/or families are served.
- ii. **Liability, Auto and/or Worker's Compensation,** (see Section p): You must request, in writing (e-mail suffices), an extension from your Council Program Officer **at least one business day before** the due date. Due to the risk associated with these items, a 5-day extension only will be granted. The declaration(s) submitted must show continuing coverage, with no lapse.
- iii. **Financial Audits:** Providers must let the CSC Budget Specialist assigned to their program know if an audit will be late. The *Request for Extension to Submit Audit Report* form may be requested from your Budget Specialist and must be submitted by **only** the agency's Auditor (CPA) or Auditing Firm no later than the day the audit would have been due (without an extension). If an extension is approved by CSC, the Provider will receive a written form of notification establishing an extended due date by which the outstanding information is to be received by CSC. If the extended due date is not complied with, the late charge will be assessed.

5. Audit

a. Non-Government Entities

Provider shall submit, upon completion of the Agreement, a Generally Accepted Government Auditing Standards (GAGAS) (the "Yellow Book") audit ("the Audit") together with management letter or an OMB Circular A-133 (Single Audit), within six (6) months of the Provider's fiscal year end to the Council. In the event that the Provider's fiscal year end occurs prior to the completion of the term of the Agreement, (i.e. for each portion of a Provider's fiscal year during the term of this Agreement, Provider shall supply an audit and accompanying management letter) the Provider will supply the Audit and accompanying management letter (which, at a minimum, shall comply with AU-C 265 of the AICPA) for each of the Provider's fiscal years occurring during the term of the Agreement, each such audit and management letter to be provided to the Council within six (6) months of the Provider's fiscal year end (for example, if the Provider's fiscal year ends on September 30th, the audit and management letter are due by March 31st of the following year). If no management letter is prepared by the independent certified accounting firm, and this fact is not clearly stated in the Audit, then the independent certified accounting firm must confirm in writing to the Council that no such management letter was submitted to Provider. Submission of the Audit and accompanying management letter shall be from the Provider in bound form to the address in section 4.f. above, or from the Provider's audit firm in bound or electronic format with any electronic version to be sent to compliance@cscpbcc.org.

b. Government Entities Only

Provider shall submit, upon completion of the Agreement, a Generally Accepted Government Auditing Standards (GAGAS) (the "Yellow Book") audit ("the Audit") together with management letter or an OMB Circular A-133 (Single Audit) within the earlier of: i) ten (10) business days after the audit is submitted to the State of Florida Auditor General; or ii) one year from the date of the end of the fiscal year for which the Audit is being conducted. In the event that Provider's fiscal year end occurs prior to the completion of the term of the Agreement, the Provider will supply the Audit and accompanying management letter (which, at minimum, shall comply with AU-C 265 of the AICPA) for each of the Provider's fiscal years occurring during the term of the Agreement, each such Audit and management letter to be provided within the earlier of: i) ten (10) business days after the Audit is submitted to the State of Florida Auditor General and ii) one year from the date of the end of the fiscal year for which the audit is being conducted. Submission of the Audit and accompanying management letter may be sent from the audit firm in electronic format, to compliance@cscpb.org. **This section 5.b. does not apply to State Agencies or subdivisions.**

6. Payments/Financial Guidelines

a. Fiscal Guidelines

The fiscal administration of the Agreement will comply with the Council's then-current "General Administrative Fiscal Guidelines" [the "Fiscal Guidelines"], a copy of which is available on the Council's website at www.cscpb.org/csc-fiscal-guidelines and which are incorporated herein by reference. [If hardcopy sent with contract "Provider acknowledges, by signing the Agreement, receipt of the Fiscal Guidelines, a copy of which was provided with the Agreement."]

b. Electronic Funds Transfer

Payments for services rendered pursuant to the Agreement shall be made to the Provider monthly on a reimbursement basis by electronic funds transfer. The Provider shall provide the Council with the necessary banking information to receive such reimbursement.

c. Invoices

The Provider shall submit an invoice to the Council by the tenth (10) day (or next business day) of each month following the month in which the services were provided. The invoice will include documentation reflecting all expenditures made by the Provider under the Agreement, in such form as may be reasonably required by Council. Subject to the availability of funds, the Council will provide reimbursement to the Provider within forty-five (45) days after receipt of the invoice. The Provider shall submit a final invoice to the Council no later than October 31, after the end of each year of the Agreement (with appropriate documentation). The Council will not reimburse the Provider for any expenditures made by the Provider under the Agreement that are submitted after the October 31 deadline.

d. Return of Payments

The Provider agrees to return to the Council any overpayments made through inadvertence or miscalculation or because payment is later disallowed as not having been properly earned under the Agreement. Such funds shall be refunded in full by the Provider to the Council by the earlier of:

- i. Twenty (20) days from the date of written notification by the Council to the Provider of overpayment or disallowance; or
- ii. Thirty (30) days following the end of the Agreement.

- iii. The Council shall have the right to deduct, from any subsequent payment request submitted by the Provider, the amount of any overpayments or disallowed funds not previously refunded to the Council.

e. Re-determining Allocation

Notwithstanding anything herein to the contrary, the parties agree that the dollar amount of funding set forth in the Agreement may be reduced in the event that the Council determines that the Provider will not spend the entire amount allocated by the end of the effective period of the Agreement; for example, as a result of the inability to maintain program capacity or to meet parameters in **Exhibit "B"**. This determination may be made (i) during the course of reviewing a budget revision submitted by the Provider pursuant to the Council's procedures or (ii) based upon the Council's monitoring of the Provider's program and its expenditure history. Before any such reduction becomes final, the Provider will be notified in writing of the proposed action and shall have the opportunity to address the Council's Board regarding the proposed reduction. The decision of the Council's Board on this issue shall be final. If the Council reduces the dollar amount, the Provider may, within the first 30 days after said Council action, terminate this Agreement upon 24 hours' notice. Subject to the provisions of the Agreement, Council shall reimburse the Provider for all monies expended up to and including the effective date of the termination.

f. Late Charge

The Council will assess a late charge amounting to \$500 from the Provider's current month's request to the Council for reimbursement for each month (or portion of a month) that a program is out of compliance with the timely submission of fiscal and programmatic data as required by sections 4. and 6.c. of the Agreement, utilizing the applicable procedures set forth in the "Fiscal Guidelines" (unless otherwise specified in the Guidelines, notification letters regarding overdue documents will be sent to the Provider's Executive Director [or equivalent position]). In addition to the late charge assessed, a letter notifying the Provider's Board Chair will also be sent; and the Provider must submit in writing why the applicable documentation was late and what the Provider is doing to ensure this will not occur in the future. This charge and the additional actions referenced in the preceding sentence will also apply if the program does not provide: (i) the Council for Providers (subject to section 5.a. above) its Audit and management letter and (ii) for all programs, the Council with current copies of the following documents (as identified in Exhibit "B"):

- i. Certificates of Insurance, as required by section 9. below;
- ii. Service site(s) Fire Inspection Certificate(s);
- iii. HIPAA Business Associate Agreement

7. Capital Items

a. Restrictions

Capital items acquired by the Provider, the costs of which are or were reimbursed by the Council pursuant to its policies, shall be subject to the following requirements:

- i. said items may not be mortgaged, pledged, or hypothecated without the prior written approval of the Council;
- ii. said items shall be maintained in operable condition; and
- iii. said items will be insured against loss or theft.

b. Return upon Termination

Upon termination or earlier cancellation of the Agreement, at the Council's request (unless there is specific prior notification that this requirement is waived by the Council), capital items acquired by the Provider and reimbursed by the Council handled pursuant to the Council's "Fiscal Guidelines". The Council retains its rights to all non-consumable, non-disposable supplies, equipment, curricula and/or other materials purchased with the Council's funding. Should this Agreement be terminated or not renewed, any or all such materials shall be returned to the Council, or its designee(s) upon request, subject to the provision of the preceding sentence for capital items.

8. Responsibility for Program
