

on the table

Your voice matters.

The issues facing our region don't often offer a "quick fix." On the contrary, progress will only result from residents and organizations working to make contributions that add up to a greater solution that helps unite the place we call home.

What you do matters – and when we come together as a community to learn from and with each other, we have the power to impact both neighborhoods and lives.

At The Community Foundation for Palm Beach and Martin Counties, as strongly as we believe that what you do matters, we also believe that your voice matters. On the Table is a forum designed to elevate civic conversation, foster new relationships and create a unifying experience across the region. Thousands of Palm Beach and Martin residents will gather in small groups to share a meal and discuss the challenges and opportunities we face. These conversations can inspire new ways we can work together to make our communities stronger, safer and more dynamic.

This act of coming together has never been more important. On the Table on October 24, 2018 will connect individuals and communities of diverse perspectives and backgrounds. Talking – and listening – to our neighbors is an important first step toward creating a more unified community.

What will you do to create a more unified community? How will you use your On the Table conversation to bring your colleagues, friends and neighbors together to lead change in your organization or community? What relationships will you create and what next steps come out of your conversation? Share those commitments and connections with the Foundation. We want to showcase action emerging from your tables – to inspire collaboration and action from others, and drive progress across the region.

We invite you to lend your voice to this important conversation.

When: Wednesday, October 24, 2018

Who: All Palm Beach and Martin residents are invited to participate – by hosting or attending mealtime conversations.

Where: In private residences, in backyards, at local restaurants, schools, community centers, places of worship, libraries, offices, retail establishments – literally anywhere a host chooses. They can be sit-down, catered, picnic, or potluck dinners – completely up to each host.
