How You Can Help Birthline/Lifeline

Pray. Please pray daily for the success of Birthline/Lifeline and for a return to a Culture of Life.

Donate. Birthline/Lifeline would not be able to offer services free of charge without the generous financial contributions of friends.

Volunteer. Birthline/Lifeline is supported by many volunteers. Are you able to offer your time and talents?

Refer. Is there someone you know who needs help making the decision of her life? Please send them to Birthline/Lifeline.

A Personal Invitation

People sacrifice for many things but to sacrifice for the sake of saving lives and promoting the Culture of Life in our community is a fundamental priority. The smallest contribution can become very important when added to the contributions of others. God bless you and thank you!

Birthline and Lifeline

were each founded in the mid-1970s to help women in Palm Beach County choose life. In 1990, the ministries merged and became a program of Catholic Charities of the Diocese of Palm Beach.

Since the beginning, **Birthline/Lifeline Pregnancy Care Centers** have experienced much growth but have always stayed true to the mission and values, treating each person with dignity and respect.

Women need...
compassionate &
loving support!

Every child is a unique and unrepeatable miracle.

Client Testimonials

"Amazing staff. I liked seeing and having the first pictures of my baby!"

"I liked the professional services they gave."

"They helped me a lot, and I want to keep my child."

Framework of Five

Birthline/Lifeline provides quality services and emphasizes education as a key component to living a healthy lifestyle. Five main topics are at the heart of all services, including:

- Fetal Development
- Truth about Contraception
- Consequences of Risky Behavior
- Fertility Awareness/Natural Family Planning
- Adoption and Abortion

Birthline/Lifeline believes that if their clients understand these and other related topics, they will be better equipped to make healthy, life-affirming decisions.

Program Statistics

- Assists approximately 5,000 women and children annually
- Provides 3,000 free pregnancy tests each year
- Saves the lives of more than 100 women and children from abortion
- Provides diapers, clothes, cribs, car seats, and other essential items for hundreds of babies
- Offers educational and informational sessions on parenting, breastfeeding, life choices, pre-natal care, STD's, risky behavior, contraception, adoption and abortion to thousands - both clients and community groups
