Clinical Labs

Did you know?

When your physician writes a prescription for lab services Quest Diagnostics is the participating laboratory. If a physician draws blood in his office, please remind the staff to send the specimen to QUEST.

Elements of the Wellness Program Include:

- ***Quest Diagnostics*** is the participating lab. The plan deductible is waived for lab services; only coinsurance will apply.
- The Florida Blue online provider directory can be utilized to find a participating Quest Center in your area at www.floridablue.com .
- To save time you can make an appointment at Questdiagnostics.com.
