

CREATING AND MAINTAINING A SAFE ENVIRONMENT FOR CHILDREN AND VULNERABLE ADULTS IN THE DIOCESE OF PALM BEACH

POLICY

Recognizing that each individual is created by God, the Diocese of Palm Beach is committed to the safety and well-being of its children and vulnerable adults and implements procedures to minimize risk and barriers and to build and foster a culture of safe environment. The Diocese does not tolerate abuse or neglect of anyone. It will comply with all obligations of civil and canon law; it will promote healing where it is needed, provide education, training and guidance when it is appropriate, and endeavor to prevent any abuse of minors or vulnerable adults with firm justice and mercy towards all.

I. GLOSSARY OF TERMS

Background Screening – All Church Personnel shall allow an inquiry into their background to assess whether any reason exists that would suggest the person is not suitable for the position sought. A Level 2 CBS includes a state-wide criminal and juvenile records check through the Florida Department of Law Enforcement and a federal criminal records check through the Federal Bureau of Investigation.

II. PREVENTION

In an effort to guard the safety of Minors and Vulnerable Adults under the care of the Diocese, all Church Personnel, ages 18 and older, will be required to submit a Level 2 criminal background investigation. Eligibility for employment, volunteer work, or ministry will be contingent and conditioned upon a satisfactory background investigation. This background investigation will be updated every five (5) years. This policy applies even if an individual has been cleared through an FBI or FDLE check conducted by their employer or another non-diocesan entity. In addition, any person under the age of 18 who is employed by a parish, school, or other diocesan entity must also be screened in accordance with this policy.

Volunteers and employees under the age of 18 are not allowed to have unsupervised access to children, youth, or vulnerable adults. This includes youth ministers, coaches, mentors, scout leaders, babysitters, etc. These individuals who may assist with children and vulnerable adults must be immediately supervised by a volunteer or employee who has been VIRTUS trained and has successfully completed a Level 2 Background Check.

In addition, the State of Florida requires screening of summer camp employees and volunteers, regardless of age. Therefore, in the case of summer camps or any other applicable state-mandated screening requirements, minors (employed or volunteering) must be screened pursuant to state law.

Safe Environment Education

VIRTUS

All Church Personnel who are entrusted with the care and supervision of children or vulnerable adults including employees, independent contractors and Covered Volunteers, are required to successfully complete safe environment training through the VIRTUS program, unless otherwise exempt from this requirement in this policy. This training must be renewed every five years. For new Church Personnel, VIRTUS training generally must be completed within 45 days of hire.

Vulnerable Adult Training

All Church Personnel who minister to the homebound are required to successfully complete vulnerable adult training. This training needs to be done once, unless a specific need arises.

Responsibility of Chancellor, Pastor, Principal or Administrator

The background investigation of Church Personnel shall be the responsibility of the Chancellor, Pastor, Administrator, or other person responsible for managing the Church Personnel subject to this policy. All information reported is considered confidential; the responsible administrator shall preserve confidentiality to the fullest extent possible.

CREATING AND MAINTAINING A SAFE ENVIRONMENT FOR CHILDREN AND VULNERABLE ADULTS IN THE DIOCESE OF PALM BEACH

Background Screening/Persons or Roles Requiring Screening

All Church Personnel will be required to electronically submit a completed Criminal Background Check Form as well as a complete set of fingerprints to facilitate a criminal background screening.

All Diocesan employees and covered volunteers including clergy, religious, seminarians, principals, instructional personnel, school and parish employees, directors of religious education, catechists, youth ministry directors and volunteers, coaches (whether paid or volunteer), music/choir directors, counselors of children or vulnerable persons, Boy/Girl Scout Troop Leaders, independent contractors working as substitute teachers or temporary school office personnel, and child care center employees and volunteers will be background checked every five years through the FBI/FDLE screening process described later in this policy. For all individuals, this policy supplements requirements of any federal or state policy.

If duties are assigned to any volunteer that include the care or supervision of children or vulnerable adults, the volunteer is then classified as a *Covered Volunteer* and the requirements for *Covered Volunteer* as defined in this policy, including fingerprinting and background screening and training, are required.

Not all volunteers need to be screened for a criminal history. Those volunteers who are not entrusted with the care or supervision of children or vulnerable adults need not be screened for a criminal history. Some *examples* of volunteers in parishes and schools who do not need to be screened for a criminal history are:

Volunteer Parish Roles Not Requiring Fingerprinting (Virtus Training is Optional)

1. Sacristans, unless accessible to altar servers who are minors
2. Altar dressers; persons responsible for washing and maintaining altar linens
3. Lectors
4. Parish Council members; Finance Council members
5. Ladies' Guild, Council of Catholic Women, Bible Study Groups, Ministry groups that do not have unsupervised or regular contact with children or vulnerable adults
6. Men's and Women's adult organizations that do not have unsupervised or regular contact with children or vulnerable adults

Volunteer or Vendor School Roles Not Requiring Screening (if accompanied by an Employee or Covered Volunteer at all times) (Virtus Training is Optional)

1. Presenter at meeting or event
2. Career Day type events (participant or person staffing a booth)
3. Repair person
4. A parent or other relative who is only attending a school event or classroom activity is not a Covered Volunteer and, therefore, does not need to be screened. Attendance on school field trips, however, requires screening.

It is anticipated that the above-listed volunteers' duties will not involve the supervision or care of children or vulnerable adults.

CREATING AND MAINTAINING A SAFE ENVIRONMENT FOR CHILDREN AND VULNERABLE ADULTS IN THE DIOCESE OF PALM BEACH

Distribution of this Policy

A copy of this policy and the procedures for implementation will be distributed to all parishes, schools and other Diocesan entities. All pastors, principals and designated administrators are to be familiar with this policy and with their respective responsibilities for training and background screening Church Personnel and are required to fully implement the training and screening requirements within their respective entities. The policy will be posted on the Diocese of Palm Beach public website and on the Diocese of Palm Beach intranet site accessible to employees. Annually, public announcements will be made via web, print media and/or parish bulletins about the Diocese's efforts to provide a safe environment and the manner in which concerns or allegations may be reported.

New Church Personnel

Before beginning work, ministry or volunteer services, Church Personnel must complete the appropriate criminal background process and receive clearance from the Office of Safe Environment. All offers for any employment are contingent upon approval from the Office of Safe Environment. All new hires requiring FBI/FDLE checks will be fingerprinted at an approved Diocesan location.

All new Church Personnel must adhere to the *Diocese of Palm Beach Code of Pastoral Conduct* and for those Church Personnel who are entrusted with the care or supervision of children or vulnerable adults, they must complete VIRTUS training.

General Fingerprinting Procedure

Church Personnel must register online by accessing <http://sep.diocesepb.org> after consulting with the compliance administrator at the entity they will work/volunteer. At the time of registration, an appointment may be made to be fingerprinted at a Diocesan designated location. Fingerprints must be taken by a Diocesan trained or certified employee or volunteer.

Third Party Vendors

No third-party vendors, other than vendors approved by the Office of Safe Environment, can be used by any Diocesan entity for the purpose of background checks and/or clearance unless otherwise required by law. Results of all fingerprinting and background checks will be processed through the Office of Safe Environment.

International Background Check

Any prospective Church Personnel from another country who has not been in the U.S. for at least one year may receive an International Background Check. Special forms are required and available through the Office of Safe Environment.

CREATING AND MAINTAINING A SAFE ENVIRONMENT FOR CHILDREN AND VULNERABLE ADULTS IN THE DIOCESE OF PALM BEACH

Clearance Process and Results of Criminal Background Screening

There are three categories of criminal background results.

Category 1: Criminal Background Search shows no criminal record. If a Church Personnel does not have any criminal record, the Office will notify the Church Personnel's administrator in writing that the individual is cleared. The clearance notice shall be kept in their personnel/volunteer file at the corresponding entity.

Category 2: Criminal Background Search shows a non-disqualifying criminal record. If a Church Personnel has a criminal record that is non-disqualifying, the Office will notify the Church Personnel's administrator of the non-disqualifying criminal record. The notification shall be kept in a separate, locked, confidential file at the corresponding entity.

The Office may contact the Church Personnel with the criminal record to obtain the underlying facts as well as any extenuating circumstances and may request additional information including a written statement and copies of arrest reports and/or court records. The pastor, principal or responsible administrator may be asked to make a recommendation to the Diocesan Office of Safe Environment whether to permit the Church Personnel to be employed or volunteer, notwithstanding the non-disqualifying criminal record. The decision of the Diocese will be promptly communicated to the entity in writing.

Category 3: Criminal Background Search shows a disqualifying criminal record. If a Church Personnel has a criminal record that is disqualifying, as described in Appendix A of this policy, the Office will notify the designated administrator and Church Personnel of the disqualification from employment or volunteer ministry. The disqualification notice shall be kept in a separate, locked, confidential file at the corresponding entity. The Church Personnel will be notified of an exemption process, if available.

Restriction on employment or volunteer service of any Church Personnel or rejection notices on any Church Personnel or applicants at the entity shall be kept in a locked, confidential file at the corresponding entity.

Renewals

All Church personnel need to be re-fingerprinted and screened according to this policy every five (5) years. Notice will be sent to the compliance administrator at each entity by the Office of Safe Environment when rescreening is due. If, after two reminders of the need for rescreening there has not been compliance, a notice will be sent to the entity administrator, the compliance administrator and the employee/volunteer that they are in inactive status and must refrain from all ministry until they comply.

Working or Volunteering With Restrictions

A person may be permitted to work or volunteer, with restrictions. For example, if a person has had a DUI or reckless driving conviction, he/she may be allowed to work or volunteer but may be prohibited from driving on behalf of the parish, school, or other Diocesan entity, even in the employee's or volunteer's own vehicle.

CREATING AND MAINTAINING A SAFE ENVIRONMENT FOR CHILDREN AND VULNERABLE ADULTS IN THE DIOCESE OF PALM BEACH

Disqualifying Offenses

Prior findings of guilt, pleas of guilt or pleas of no contest (regardless of adjudication) for certain misdemeanors and felonies prohibit an individual from employment or volunteer ministry in an entity of the Diocese. See Appendix A for a list of disqualifying offenses.

Record Maintenance

Digital fingerprint images will be retained in a secure electronic database at the Diocese of Palm Beach. Any identified criminal history, along with Diocesan recommendations for clearance or denial, will be held in a secure location in the Office of Safe Environment.

State Licensed and Regulated Facilities

Some Diocesan facilities are licensed or otherwise regulated by the State of Florida and (1) may in some circumstances be governed by additional requirements and (2) only the State can grant an exemption at those facilities. Church Personnel may be subject to screening by both the Diocese and the State of Florida. If the State requires and performs the criminal background check, the Office of Safe Environment may rely on the State's determination of eligibility and disqualification at those licensed or regulated facilities. However, while the state's determination of disqualification may be final, the state's determination of eligibility is not. The Diocese maintains discretion to make its own determination of eligibility consistent with this Policy and state law.

Reconsideration or Appeal

Any Church Personnel who is disqualified or placed on restriction should be informed by the pastor, principal, or designated administrator, and given the reasons for the rejection or restriction. If the individual believes there is an error, or that the facts of the case are not properly known, he or she will be required to provide written documentation to the Office of Safe Environment before the decision will be reconsidered. Any cost associated with presenting this written documentation must be borne by the applicant or Church personnel.

Limitations on Use of Screening Information

The Diocese may not use the criminal records, juvenile records, or abuse registry information of a person obtained through this screening process for any purpose other than determining whether that individual meets the minimum standard for good moral character or is otherwise qualified for the position sought.

Criteria for Excluding Church Personnel from Employment/Ministry

Background checks involve a search of Florida criminal and juvenile records through the Florida Department of Law Enforcement and federal criminal records through the Federal Bureau of Investigation. Failure to meet the minimum standards of good moral character or the reasonable job-related expectations of the Diocese will be sufficient for disqualification (or immediate termination) from employment or volunteer ministry. In addition, individuals who misrepresent or fail to accurately complete their background information, including any criminal record or activity, may be denied employment or volunteer activity, or, if the inaccuracy or misrepresentation is subsequently discovered, the individual may be immediately terminated from employment or volunteer ministry.

CREATING AND MAINTAINING A SAFE ENVIRONMENT FOR CHILDREN AND VULNERABLE ADULTS IN THE DIOCESE OF PALM BEACH

All Church Personnel shall be expected to live a life of good moral character. If the Pastor, Administrator or other supervisor responsible for implementing this policy is not satisfied that this has been met, then the Church Personnel may be disqualified. The decision regarding employment or volunteer ministry shall take into consideration the minimum requirements of a good moral life which are established by the teachings of the Roman Catholic Church and consistent with Florida Law.

Church Personnel who have been found guilty of, entered a plea of guilty, or entered a plea of *nolo contendere* for any offense listed on Appendix A are disqualified from employment or ministry regardless of the date of the offense. Unless prohibited by law, an exemption from disqualification may be granted by the Diocese. In order for an exemption to be granted by the Diocese, a Church Personnel must demonstrate by clear and convincing evidence that he/she should not be disqualified from employment or ministry. A Church Personnel seeking an exemption has the burden of setting forth sufficient evidence of rehabilitation including, but not limited to: (a) the circumstances surrounding the criminal incident for which the exemption is sought; (b) the time period that has elapsed since the incident; (c) the nature of the harm caused to the victim, if applicable; and (d) the personal history of the Church Personnel since the incident, or any other evidence or circumstances indicating that the Church Personnel will not present a danger if continued employment or ministry is allowed. For some entities regulated by Florida law, the Diocese may not be authorized by law to grant an exemption from disqualification.

Visiting Clergy / Non-incardinated Clergy

- For a member of the clergy who is visiting for an event or a weekend, or short term visit but not an official assignment within the Diocese, a Certificate of Aptitude (COA) is required from the visiting clergy's Bishop or Superior.
- For a member of the clergy who is requesting an official assignment within the Diocese, a COA and a fingerprinting and background (national or international) check and VIRTUS or similar training, according to this policy, is required to grant faculties.
- For a member of the clergy who is an extern residing in our Diocese for all or part of the year (i.e. retired) and wishes to assist at a parish, a COA and a fingerprinting and background (national or international) check and VIRTUS or similar training is required.
- It is the Chancellor's responsibility to evaluate each request for faculties and approve if appropriate.

Standards of Conduct for Church Personnel

Any form of sexual misconduct is sinful. Certain forms of sexual misconduct can be criminal as well. Church Personnel who engage in any form of sexual misconduct are violating the ministerial relationship, misusing their authority, power and trust, and taking advantage of the vulnerability of those they serve. By these unique circumstances of ministerial service, there is an absence of meaningful consent to *any* sexual activity, even if the person is an adult.

It is the responsibility of Church Personnel to maintain appropriate emotional and sexual boundaries with those with whom they work or serve. While it is not possible to identify every form of inappropriate conduct that violates a person's boundaries, based on the foregoing, it is inappropriate for Church Personnel to:

CREATING AND MAINTAINING A SAFE ENVIRONMENT FOR CHILDREN AND VULNERABLE ADULTS IN THE DIOCESE OF PALM BEACH

- make sexual propositions or perform any type of sexual act with and/or in the presence of anyone.

- smoke or encourage smoking on any Diocesan property, at any school or entity.
- observe someone undressing while he/she is changing clothes at school, a sporting event or retreat other than necessary supervision in a locker room or approved changing area.
- denigrate or verbally abuse any person.
- provide medical advice, or medical procedure
- administer drugs, including over-the-counter medication, in the absence of express written permission.
- provide massages or other physical therapy or touch an individual inappropriately.

- use the internet or other mobile electronic devices for pornographic access. *
- show sexually suggestive objects or pornography. *
- tell tales of sexual exploits, experiences or conflicts or use sexual vulgar language
- offer a prolonged hug when a brief hug is customary behavior or kiss on the lips.
- invite children and young people to their home unsupervised or for overnight stays, even with the permission of the parent or guardian.
- offer children and young people transportation, even with the permission of the parent or guardian.

*Creating, distributing or maintaining child pornography in any form is a crime in the State of Florida and is immediately reported to law enforcement officials.

Requirements for Outside Groups Using Diocesan Facilities/Space

Outside groups that use Diocesan facilities but are not affiliated with the Diocese are responsible for meeting the minimum Level 2 screening requirements of Section 435.04 and 1012.465 of the Florida Statutes, pursuant to the terms of the Diocesan Non-Exclusive Space Use Agreement and License. Accordingly, those License-affiliated persons do not have to be screened under this policy, *Creating and Maintaining a Safe Environment*. The *Space Use Agreement and License* can be found on the Diocesan bookkeeper web site.

III. RESPONDING TO AN ALLEGATION OF SEXUAL ABUSE OF A CHILD OR VULNERABLE ADULT

- *Notification of Parent/Guardian.* If the complaint is not received from or does not involve the parent or guardian of the child or vulnerable adult, arrangements should be made to notify immediately the parent or guardian. Notice should *not* be given to the parent or guardian if he or she is the person against whom the complaint is made. Appropriate pastoral concern and support shall also be shown to all parties involved, including the family. All information relating to a child or vulnerable adult incident, in which a complaint is made against Church Personnel, shall be assembled and retained in a written form in a confidential manner.
- *Confidentiality Agreements.* In cases of child sexual abuse, the Diocese will not enter into confidentiality agreements except for grave or substantial reasons brought forward by the victim or survivor and noted in the text of the agreement.
- *Allegation against the Bishop or Auxiliary Bishop.* If an allegation is made against the Bishop or

Diocesan Response

The Diocese will cooperate with public authorities about reporting in all cases, including when the person alleged to have been abused is no longer a minor. In every instance, the Diocese will notify the Diocesan Attorney, who will in turn notify the State Attorney. In addition, the Diocese will advise and support a person's right to make a report to public authorities

Communication Regarding Allegation and/or Investigation

To the extent possible, all communications regarding allegations of child sexual abuse will protect the identity of the victim and reflect the confidential nature of the investigation. Care will be taken to protect the rights of the alleged perpetrator.

With respect for the privacy and the reputation of the individuals involved, the Diocese will deal as openly as possible with members of the community. This is especially so with regard to assisting and supporting parish communities directly affected by alleged ministerial misconduct involving minors.

Internal Communications

Notification to parishes, schools, priests, religious, lay employees, and volunteers will be made through releases provided by the Bishop or his representative. These will be made available as soon as feasible.

External Communications

No other Diocesan Church Personnel is to respond to the media except and unless specifically directed by the Bishop. Every effort will be made to provide that all information is disseminated in a timely and appropriate manner. To that end, media releases will be made to appropriate individuals as advisable.

Personnel Record

Any employee found guilty of child sexual abuse or abuse of a vulnerable adult will have this information noted in his or her personnel file. This determination is cause for termination from

CREATING AND MAINTAINING A SAFE ENVIRONMENT FOR CHILDREN AND VULNERABLE ADULTS IN THE DIOCESE OF PALM BEACH

employment with the Diocese of Palm Beach and prohibition of future re-employment. Inquiries for references in cases of guilty employees should be referred to the Office of the Chancellor.

IV. PROCEDURES RELATED TO ALLEGATIONS OF ABUSE BY A PRIEST OR DEACON

Initiating the Investigation

When an allegation of sexual abuse of a minor by any priest or deacon is received, a preliminary investigation in harmony with canon law will be initiated and conducted promptly and objectively. The accused will be encouraged to retain the assistance of civil and canonical counsel and will be promptly notified of the investigation. If an allegation of sexual abuse of a minor by Church Personnel is found credible, the alleged offender will be temporarily relieved of any ecclesiastical ministry or function, in harmony with canon law. In order to respond effectively to allegations of sexual abuse against Clergy, the Bishop may appoint individuals to investigate the allegations. The Diocese will not interfere with any investigation by law enforcement. When there is sufficient evidence that sexual abuse of a minor by a cleric has occurred, the Congregation of the Doctrine of the Faith shall be notified.

Diocesan Review Board

Membership

To assist the Bishop in his work, the Diocese has a Review Board that functions as a confidential consultative body established by the Bishop, which is composed of at least five persons of outstanding integrity and good judgment, in full communion w/the Church. The majority of the Review Board members will be laypersons who are not in the employ of the Diocese; but at least one member must be a priest who is an experienced and respected pastor of the Diocese. At least one member should have particular expertise in the treatment of the sexual abuse of minors or vulnerable adults. The members will be appointed for a term of five years, which can be renewed. It is desirable that the Promoter of Justice and the Diocesan Attorney participate in the meetings of the Review Board.

Functions

The functions of this Review Board include:

- Advising the Bishop in his assessment of allegations of sexual abuse of minors and vulnerable adults and in his determination of suitability for ministry;
- Reviewing Diocesan policies for dealing with sexual abuse of minors and vulnerable adults, offering advice on all aspects of these cases, whether retrospectively or prospectively.

Procedures

- The Review Board shall develop its own procedures for implementing this policy.
- The Review Board or its designee shall report to the Bishop regarding its deliberations. At the Bishop's request, the Review Board or its designee and the Diocesan Attorney shall meet with the Bishop to respond to any questions he may have, or provide additional information desired by him. All information received by the Review Board shall be considered confidential and shall not be revealed by any member of the Review Board, except to the Diocesan Attorney, other members of the Review Board, and the Bishop, unless compelled by law.

CREATING AND MAINTAINING A SAFE ENVIRONMENT FOR CHILDREN AND VULNERABLE ADULTS IN THE DIOCESE OF PALM BEACH

In summary, when an allegation of child sexual abuse is received:

- Florida Reporting Law is followed. Call toll-free abuse registry hotline at 1-800-962-2873 or 1-800-342-9152 immediately.
- The Diocesan Contact Person (Chancellor) is notified, 561-775-9507.
- If an allegation is credible, the individual is removed from his/her position pending a law enforcement and internal investigation.
- The Victim Assistance Coordinator reports an allegation received to the Chancellor, who reports to the Diocesan attorney and Safe Environment Administrator. The investigation is directed by the Diocesan Attorney. The Diocesan Review Board is convened when deemed necessary and without interfering with any civil law enforcement investigation.
- The recommendations of the Diocesan Review Board are presented to the Bishop.

Removing Priests or Deacons

Nothing in this section shall be construed to preclude the Bishop from temporarily or permanently removing a priest or deacon upon receipt of an allegation, either pending or after the Review Board's completion of its proceedings.

Clinical Evaluation

If a credible allegation of sexual abuse of a minor or vulnerable adult involves a priest or deacon, the alleged offender may be requested to seek, and may be urged voluntarily to comply with, an appropriate medical and psychological evaluation at a facility mutually acceptable to the Diocese and to the accused. The Individual will be informed of the allegations by the Bishop or his representative and will be given an opportunity to respond to the allegation. He will be advised of his/her right to seek legal and canonical counsel. In the case of a religious order priest, the allegation will be reported to the major superior of the religious order.

Response to Admitted or Established Abuse

When sexual abuse by a priest or deacon is admitted or is established after an appropriate investigation in accord with canon law, the following will pertain:

1. The *Charter* and Diocesan Policy provide that for even a single act of sexual abuse of a minor—past or present—the offending priest or deacon will be permanently removed from ministry. At all times, the Bishop has the executive power of governance, through an administrative act, to remove an offending cleric from office, to remove or restrict his faculties, and to limit his

CREATING AND MAINTAINING A SAFE ENVIRONMENT FOR CHILDREN AND VULNERABLE ADULTS IN THE DIOCESE OF PALM BEACH

exercise of priestly ministry. Because sexual abuse of a minor is a crime, for the sake of the common good and observing the provisions of canon law, the Bishop shall exercise this power of governance to ensure that any priest who has committed even one act of sexual abuse of a minor as described above shall not continue in active ministry.

2. In every case, the processes provided for in canon law must be observed, and its various provisions be considered (cf. *Canonical Delicts Involving Sexual Misconduct and Dismissal from the Clerical State*, 1995; Letter from the Congregation for the Doctrine of the Faith, May 18, 2001). These provisions may include a request by the priest or deacon for dispensation from the obligations of Holy Orders and the loss of the clerical state, or a request by the Bishop for dismissal from the clerical state, even without the consent of the priest or deacon. For the sake of due process, the accused is to be encouraged to retain the assistance of civil and canonical counsel. When necessary, the Diocese will supply canonical counsel to a priest.
3. If the penalty of dismissal from the clerical state has not been applied, the offender ought to lead a life of prayer and penance. He will not be permitted to celebrate Mass publicly or to administer the sacraments. He will be instructed not to wear clerical garb, or to present himself publicly as a priest or deacon.
4. The priest or deacon may at any time request a dispensation from the obligations of the clerical state. In exceptional cases, the Bishop may request of the Holy Father the dismissal of the priest or deacon from the clerical state *ex officio*, even without the consent of the priest or deacon.

Transfer Requirements

No priest or deacon who has committed an act of sexual abuse of a minor may be transferred for ministerial assignment to another diocese or religious province. Before a priest or deacon can be transferred for residence to another diocese or religious province, the Bishop shall forward in a confidential manner to the local bishop or religious ordinary of the proposed place of residence any and all information concerning any act of sexual abuse of a minor and any other information indicating that he has been or may be a danger to children or young people. This shall apply even if the priest or deacon will reside in the local community of an institute of consecrated life or society of apostolic life.

Restoration of Position

If the investigation proves the allegation to be not substantiated, the accused individual will be restored to his/her former position or be offered placement in another diocesan position.

In the case of proven child sexual abuse, no one will be restored to any Diocesan position. If a priest or religious is removed, he or she can longer function in any ministry for any Arch/diocese.

(26) "Sexual abuse" means acts of a sexual nature committed in the presence of a vulnerable adult without that person's informed consent. "Sexual abuse" includes, but is not limited to, the acts defined in s.794.011(1)(h), fondling, exposure of a vulnerable adult's sexual organs, or the use of a vulnerable adult to solicit for or engage in prostitution or sexual performance. "Sexual abuse" does not include any act intended for a valid medical purpose or any act that may reasonably be construed to be normal caregiving action or appropriate display of affection.

(28) "Vulnerable adult" means a person 18 years of age or older whose ability to perform the normal activities of daily living or to provide for his or her own care or protection is impaired due to a mental, emotional, sensory, long-term physical, or developmental disability or dysfunction, or brain damage, or the infirmities of aging.

From Section 39.01 Definitions:

Section 39.01 (67):

- (b) Any sexual contact between the genitals or anal opening of one person and the mouth or tongue of another person.
- (c) Any intrusion by one person into the genitals or anal opening of another person, including the use of any object for this purpose, except that this does not include any act intended for a valid medical purpose.
- (d) The intentional touching of the genitals or intimate parts, including the breasts, genital area, groin, inner thighs, and buttocks, or the clothing covering them, of either the child or the perpetrator, except that this does not include:
 1. Any act which may reasonably be construed to be a normal caregiver responsibility, any interaction with, or affection for a child; or
 2. Any act intended for a valid medical purpose.
- (e) The intentional masturbation of the perpetrator's genitals in the presence of a child.
- (f) The intentional exposure of the perpetrator's genitals in the presence of a child, or any other sexual act intentionally perpetrated in the presence of a child, if such exposure or sexual act is for the purpose of sexual arousal or gratification, aggression, degradation, or other similar purpose.
