The Neighborhood Place for Early Head Start

Our Vision:

Every child in Palm Beach County is Ready to Succeed in School and Life.

Our Mission:

Building community-wide commitment for comprehensive, high-quality early learning environments that benefit the children and families of Palm Beach County

Early Head Start-Child Care Partnership Work

The Coalition serves 150 Early Head Start children and their families in the communities of Belle Glade, Pahokee, Riviera Beach and West Palm Beach (33401 and 33407). Services are delivered in partnership with a network of early learning centers and family child care homes. We are a year-round program, providing services 10 hours per day, 240 days per year.

We work in conjunction with our Family Services team to dual-qualify families who meet eligibility for Early Head Start and School Readiness/CSC Scholarships. This tenet of the EHS-CCP program supports continuity of care for children after their time in the EHS-CCP program.
