

SHOWDOWN AT PATCH REEF

TUESDAY NIGHTS

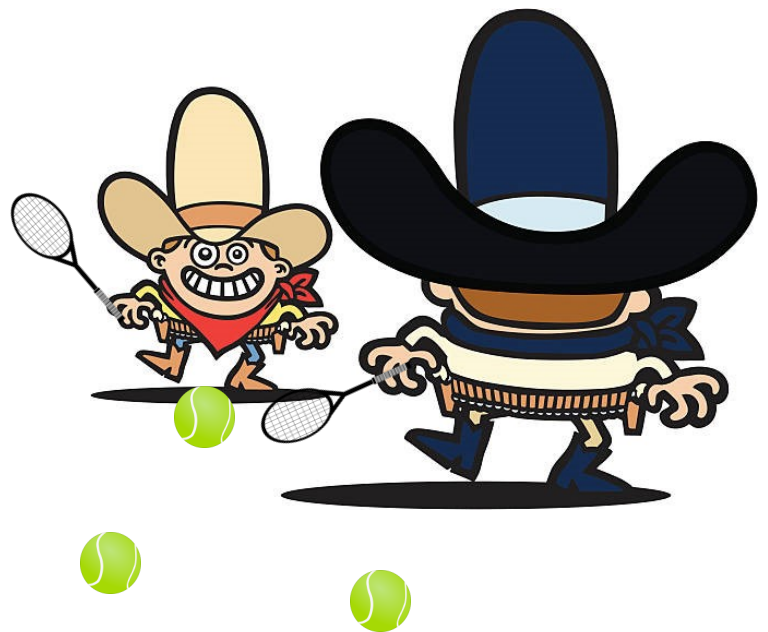

7:00-8:30PM

Resident \$15.00 Non Resident \$18.75

Starts 9/4/18 with Coach Danard

Player's start 1 up 1 back with a "substitute" player for the net and baseline challengers.

Coach feeds in cross court to the baseline challenger and the point is played. If the challenging side misses, then that player rotates out with their substitute. Challengers need to win 3 points to become kings and are given 5 seconds to make their way over to the other side of the courts. A clean winner by the challengers is an automatic victory. Play will continue until the ball basket is empty, and then we will resume from the ad side of the court for the next round.
