Dear Ms. Maunder,

Thank you for meeting with us to review your school's data to determine "***Satisfactory Student Performance.***"

The following summarizes the data reviewed:

- Brigance Comprehension Assessment (Reading)

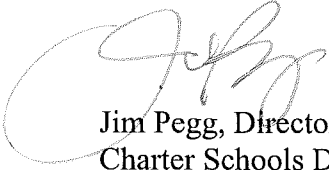

32% of students increased  
9% of students decreased  
15% of students stayed the same  
44% of students are working

- Student Florida Alternative Assessment Results

4 Students scored either 5 or 6 on the performance level for grades 10<sup>th</sup> and 11<sup>th</sup>

The above summary indicates that "***Satisfactory Student Performance***" has been demonstrated. It would be the recommendation of this office that Gulfstream Goodwill has met the criteria for academic eligibility to qualify for receipt of Capital Outlay Funding for the 2014-15 School Year.

Sincerely,

Jim Pegg, Director  
Charter Schools Department
