Since 2002, the Foundation has distributed more than \$22 million in free school supplies to schools in Hillsborough County. Annually, the Hillsborough Education Foundation's independent auditors send conflict of interest questionnaires to each of its Board of Director. Upon completion of the questionnaire, the auditors and the management of the Foundation review these forms to identify any potential conflicts of interest. Any conflict of interest identified will then be taken to the Board of Directors for resolution.

All employees will complete a conflict of interest questionnaire upon commencement of employment, and then all senior staff, officers, and other key personnel who have the ability to influence decisions, will complete the form annually. The President reviews these forms and identifies any possible conflict of interest.

Following full disclosure of a possible conflict of interest, the Board of Directors shall determine whether a conflict of interest exists; and if so, the Board will vote to authorize or reject the transaction or take any other action deemed necessary to address the conflict and protect the Foundation's best interest. Both votes shall be a majority vote without counting the vote of any interested Director, even if the disinterested Directors are less than a quorum provided that at least one consenting Director is disinterested.

Key Officer - President

In order to ensure that the president's compensation is fair and reasonable, the Foundation's Board established an independent Compensation Committee made up of its members to review and determine the president's compensation package on an annual basis. The Compensation Committee, chaired by the Chairman of the Board, sets written yearly goals that are measurable. Near the president's anniversary date, the Compensation Committee reviews the goals and the written results to decide his compensation package and salary increases. As an aid in this process, the Compensation Review Committee reviews salary surveys and comparable data obtained from reliable outside sources. Compensation is reviewed and approved based on performance. There is contemporaneous documentation and record keeping with respect to the deliberations and decisions regarding

compensation arrangements. After a decision has been made, a letter is written to the Senior Director of Finance authorizing the President's compensation package for the coming year and is approved by signature by the Chairman of the Board.

**Key Employees**

Once a year at the direction of the President and key employees set written goals. These goals are reviewed and a written performance evaluation is prepared for each key employee by the President. Third party salary surveys and comparable data also aid in determining their compensation. All raises are based on merit. Key employees on a personal improvement plan or during their 90 day probationary period are not eligible for a raise. Raises are fully discretionary and under certain circumstances, including lack of sufficient funding, may not awarded.

**Other Staff:**

Written performance evaluations of other staff are completed annually. Other staff also set written goals each year and the results of these goals, along with their performance evaluations, are used when considering staff raises. Salary adjustments for promotions will also be considered based on comparative data and level of responsibility. All raises are based on merit. Employees on a personal improvement plan or during their 90 day probationary period are not eligible for a raise. Raises are fully discretionary and under certain circumstances, including lack of sufficient funding, may not awarded.
