

DON'T TOSS THEM- DONATE THEM

Did you know that **60%** of Hillsborough County Public Schools are classified as **Title I**? This means that **67%** or more of the students at these schools are considered **economically disadvantaged**, and may face challenges in purchasing **basic school supplies**.

The Hillsborough Education Foundation provides the teachers of these students essential supplies for their classrooms year-round. Teachers may visit our Teaching Tools Store once per month and pick up much needed **FREE** supplies.

Help us stock our shelves by donating some of your lightly used or outdated office items.

Great donation items include:

- Any type of paper, notebooks, or notepads
- Outdated envelopes or letterhead
- Binders, deskware, pencils, pens, markers, staplers, scissors, dry ease markers, and paper clips, etc.
- Tote bags and promotional items

Donating is easy, and tax deductible.

Please contact Denise Becker at 813-574-0287 to schedule a delivery of your donation.
