Thoughtful Ways to Leave a Legacy

Please consider including a gift to the Leukemia Research Foundation in your will or living trust. Your gift offers these main benefits:

Simplicity. Just a few sentences in your will or trust are all that is needed. The suggested bequest language for the Leukemia Research Foundation is "I, [name], of [city, state, zip], give, devise and bequeath to Leukemia Research Foundation [written amount or percentage of the estate or description of property] for its general purposes."

Flexibility. Because you are not actually making a gift until after your lifetime, you can change your mind at any time.

Versatility. You can structure the bequest to leave a specific item or amount of money, make the gift contingent on certain events, or leave a percentage of your estate to the Leukemia Research Foundation.

Tax Relief. If your estate is subject to estate tax, your gift may be entitled to an estate tax charitable deduction for the gift's full value.

Your bequest to the Leukemia Research Foundation will help support research for a cure for generations to come.

Your gift to the Leukemia Research Foundation is your legacy to those whom you love.

Thoughtful Ways to Leave a Legacy

Ensure your legacy lives on in support of our mission: dedicated to conquering all blood cancers by funding research into their causes and cures, and enriching the quality of life of those touched by these diseases.

Donors who have put the Leukemia Research Foundation in their wills or made other planned gift arrangements will be enrolled as members of the Leukemia Research Foundation Legacy of Hope.

For more than 70 years, the Leukemia Research Foundation has been helping patients with blood cancers to live better and longer lives. We've been able to do so thanks to donors who make lifetime gifts or include the Leukemia Research Foundation in their estate plans.

If you have included the Leukemia Research Foundation in your estate plans, we wish to express our gratitude by inviting you to become a member of the Legacy of Hope.

YOUR ATTORNEY OR FINANCIAL ADVISOR CAN HELP YOU WITH YOUR PLANS

Your attorney or financial advisor can work with you to include the Leukemia Research Foundation in your will, trust or codicil. Bequest options include:

Specific Bequest

States a specific dollar amount, percentage of your estate or property to Leukemia Research Foundation.

Sample language: "I, give, devise and bequeath ____ percent of my estate (or specific assets) for the benefit of Leukemia Research Foundation, 191 Waukegan Road, Suite 105, Northfield, IL 60093, FEIN 36-6102182, to be used for its general purposes."

Residuary Bequest

Made when you intend to leave the residue portion of your assets after other terms of the will have been satisfied.

Sample language: "All the rest, residue, and remainder of my estate, both real and personal, I give to Leukemia Research Foundation, 191 Waukegan Road, Suite 105, Northfield, IL 60093, FEIN 36-6102182, for its general purposes."

Contingency Bequest

Allows you to leave a portion of your estate to Leukemia Research Foundation if your named beneficiary does not survive you.

Sample language: "If (beneficiary) does not survive me, I devise and bequeath my residuary estate to Leukemia Research Foundation, 191 Waukegan Road, Suite 105, Northfield, IL 60093, FEIN 36-6102182, for its general purposes."

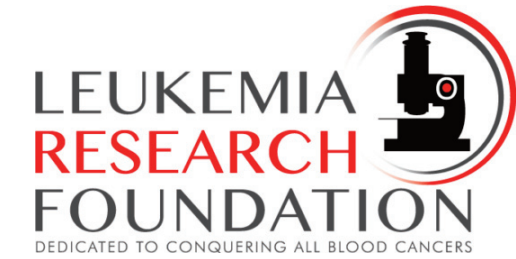

Specific Purpose

Allows you to designate how your gift to Leukemia Research Foundation will be used, such as to name an endowment or to support a specific purpose, such as research, patient financial assistance, or patient education.

You can leave real estate, IRAs, insurance policies and personal property. Gift annuities and stock are also considered gifts and may offer substantial tax advantages. Trusts may provide life income while ultimately benefiting Leukemia Research Foundation.

Thank you for supporting the Leukemia Research Foundation.
