- Our benefits team has been advised to reduce the amount of clients they help to one per hour.
- Our benefits team will be wearing mask and gloves while working.
- Only the scheduled person needs to be at the appointment unless extenuating circumstances such as an elderly person needing help or somebody assisting with translation.
- We are encouraging our clients to leave their children at home.
- If there are additional people accompanying our clients, we will ask them to wait in the lobby area or stay in their vehicles if there is no space available.
- Our Benefits team is advising our clients to arrive to their appointments at the scheduled time, not before or after.
