

Master of Science in Nursing (MSN) Health Systems Leadership

Your light, focused and strong, is what the world needs. This program helps you do more, preparing you to serve the world at a higher level, advancing your professional status with a respected academic credential. At PBA, we offer guidance that focuses on biblical, academic, theoretical and practical studies. Combined with our thriving community connections, we help you develop skills to reach your potential and become A Brighter You.

Your passion. Our guidance.

Our program delivers specific benefits such as:

- + Focus on problem-solving skills and other practical aspects of healthcare leadership
- + A faith-based approach to education that supports calling and service
- + The solid reputation of the Palm Beach Atlantic School of Nursing
- + The master's degree in nursing program is accredited by the Commission on Collegiate Nursing Education, One Dupont Circle, NW, Suite 530, Washington, DC 20036, (202) 887-6791.

To be the brightest, learn from them.

Our faculty is comprised of dedicated nurse educators who provide personal attention to help you enhance your professional reputation and value to your employer.

Supporting your desire to shine.

You don't have to put your whole life on hold to earn your degree.

- + 36-39 credit hours (depending on electives) completed in four semesters if enrolled full time
- + Seamless transition from MSN to DNP program for students whose career/ educational goals change
- + Courses are offered in a combination of convenient, hybrid courses delivered online and monthly, in-person classes in West Palm Beach
- + Program entry points are fall (August) and spring (January)

Change the world.

A MSN will prepare you for career options:

- + Hospital administration
- + Academia
- + Healthcare leadership

Be a brighter you. Contact us and start today.
