Based in West Palm Beach, Florida, Quantum Foundation is a private grantmaking organization that funds approved nonprofits and certain government agencies.

The Foundation's mission is to fund initiatives that improve the health of Palm Beach County. The organization is impact-focused and its current funding strategy seeks projects that result in better engagement in health, greater access to resources for health, and stronger connections in the health system.

According to the latest data compiled by the Florida Philanthropic Network (FPN), Quantum Foundation is the largest Palm Beach County-based health funder with 100% of grant dollars used to support local communities.

Since it began grantmaking twenty years ago, Quantum Foundation has given away over \$125 million to more than 450 organizations. The foundation has approximately \$140 million in assets.
