Quantum Foundation is a private grantmaking organization that funds approved nonprofits and certain government agencies in Palm Beach County, Florida.

Quantum Foundation's mission is to inspire and fund bold initiatives that improve the health of Palm Beach County. The organization is impact-focused and its current funding strategy is to seek projects that result in better engagement in health, greater access to resources for health, and stronger connections in the health system.

According to the latest data compiled by the Florida Philanthropic Network (FPN), Quantum Foundation is the largest Palm Beach County-based health funder with 100% of grant dollars used to support local communities.

Since it began grantmaking nineteen years ago, Quantum Foundation has given away over \$120 million to more than 450 organizations. Currently, the foundation has assets in excess of \$150 million.
