

## Fact Sheet

### General Overview

Quantum Foundation is a private grantmaking organization that funds approved nonprofits and certain government agencies serving Palm Beach County, Florida.

The foundation's grants fund projects that result in better engagement in health, greater access to resources for health, and stronger connections in the health system.

According to the latest data compiled by the Florida Philanthropic Network (FPN), Quantum Foundation is the largest Palm Beach County-based health funder with 100% of grant dollars used to support local communities.

### History

The foundation was formed in 1995 with the net proceeds from the sale of JFK Medical Center in Atlantis, Florida. It began making grants in Palm Beach County in June 1997.

### Vision

Our **vision** is for the people of Palm Beach County to enjoy a better life through quality health.

### Mission

Our **mission** is to inspire and fund initiatives that improve the health of our communities.

### Achievements

Since it began grantmaking twenty years ago, Quantum Foundation has given away over \$125 million to more than 450 organizations based in local communities. In addition, the foundation has forged partnerships both inside and outside the county, resulting in an additional \$100 million+ in funds to complement our grant awards. The foundation currently has assets in excess of approximately \$140 million.
