St. Anthony's Golf Classic, one of the most respected charity golf tournaments in Tampa Bay, is celebrating our 10th annual tournament! With your support, funds raised will benefit the Susan Sheppard McGillicuddy Breast Center, which offers exceptional care for women's health needs. Around the world, someone is diagnosed with breast cancer every 29 seconds and early detection is vital. The tournament also supports the Mammography Voucher Program, which helps women who lack insurance or financial resources get access to what could be a lifesaving screening.
