

Mitzvah Program

**GOOD DEEDS FOR A BETTER WORLD
AT THE BETH EL EARLY LEARNING CENTER**

Mitzvah Mensch

Younger children will learn about social action as part of their classroom curriculum. All Pre-K children will have an opportunity to be the Mitzvah Mensch of the week when they show acts of kindness in the classroom.

Collecting Tzedakah

The Hebrew word *tzedakah* comes from the root *tzedek*, meaning justice. Giving money and resources to those in need is understood to be an act of justice. Parents, please send in money with your children every Friday morning to support our monthly mitzvah projects.
