

MENTOR LOG INSTRUCTIONS

As a friendly reminder, please [CLICK HERE](#) to log in your mentor sessions. **Our FLDOE funding is directly tied to your sessions, so please continue to reach your goal of 15 or more mentor sessions this school year! #EverySessionCounts**

Our state office has implemented a new system that will allow you to see how many sessions you have logged so far this school year (See details below). If there are any sessions missing, please feel free to add them or email me with the dates and I can add them for you!

- To set up your account, simply click [here](#). You'll need to enter the e-mail address that TSIC has on file for you; if you're unsure which address you've provided, email me gevans@tsic.org.
- Once you have entered your email address and clicked generate password, an email will be sent to you with a password to use.
- If you wish to change your password, on the [log-in page](#) click the link "Forgot Password" and put your email address in the page presented. A link will be sent to your email. The link will take you to a page that asks for the new password twice – once you type it in you will be redirected to the [log-in page](#) to use your new credentials.
- Once logged in, if you notice that your profile information needs to be updated, you can make necessary changes and they will be instantly updated in the TSIC database. If you encounter any issues while using the website, or if you have questions or suggestions, please contact us.

Thank you so much for your continued support! **YOU** are #changinglives!

Best Regards,

Gillian Evans, MSW

Manager of Community Engagement and Mentor Programming
Take Stock in Children of Broward
