

**Congregational Commitment Adjustment**  
 Fiscal Year 2018 – 2019

*Our Congregation is committed to* stand together to secure our shared future, both of our synagogue and our people. We are dedicated to the importance of Judaism and to creating a welcoming community for all who enter. For our congregation to thrive, a financial commitment is required from all who wish to be a part of it. To more accurately reflect this shared responsibility, we are phasing out the more burdensome term “dues” to describe our annual membership payment, and replacing it with **Congregational Commitment**. Many in our congregation and community give generously so that those who are *financially unable to commit to their share* may still participate **fully** in Jewish life, learning, community and spiritual growth.

Please complete this application if you are *financially unable to pay your full Congregational Commitment*.

*This Congregational Commitment Adjustment form **does not** include Security Fees, Early Learning Center tuition, Religious School Tuition, Youth Group Fees, Brotherhood/Sisterhood Membership, etc. If you need assistance for any of these costs, you must complete a Need-Based Scholarship Application.*

**Congregational Commitment**, previously known as “dues” is the annual membership payment to Temple Beth El. As members, each and every one of us participates in ensuring that Temple Beth El thrives as a compelling center for Reform Judaism. That our congregation provides spirituality, education, pastoral care, holiday celebration and Jewish tradition for every life event from cradle to grave. That we offer comfort, meaning, joy and community to **all** those seeking a Jewish life.

My/Our membership category is \_\_\_\_\_, which lists a **Congregational Commitment** of \$\_\_\_\_\_. **This does not include a Security fee of \$250.**

*If you are financially unable to pay this amount, please pay the most you possibly can to be a part of our vibrant Temple Beth El community.*

I/We certify that I/We am/are **financially unable to pay** the amount stated above as my/our Congregational Commitment:

For 2018-2019, I/We am/are able to pay \$\_\_\_\_\_ as my/our **Congregational Commitment to Temple Beth El.**
