

**Beth El Early Learning Center and/or Temple Beth El Religious School
Need Based Scholarship Application
Fiscal Year 2018 – 2019**

Our Congregation is committed to stand together to secure our shared future, both of our synagogue and our people. We are dedicated to the importance of Judaism; to creating a welcoming community for all who enter; and to educating and caring for our children.

For our educational programs to thrive, a financial commitment is required from all who wish to be a part of it. Many in our congregation and community give generously so that those who are *financially unable* may still participate **fully** in Jewish life, learning, community and spiritual growth.

Please complete this application if you are seeking a need-based scholarship for Religious School or Beth El Early Learning Center.

NOTE: While most synagogues have a Bar/Bat Mitzvah fee, our B'nai Mitzvah fee is now integrated into our tuition structure. This year, tuition has gone down for K-2nd and 7th-8th. Tuition is a bit higher for 4th-7th grade in order to catch up with the new system, but will go down next year. Additionally, Temple Beth El does not require payment into a building fund.
