PROPOSAL
To
Town of Bay Harbor Islands

Town of Bay Harbor Islands
9665 Bay Harbor Terrace
Bay Harbor Islands, FL 33154

Gentlemen:

The undersigned, as Bidder, hereby declares that the only persons, company, or parties interested in the Proposal or the Contract to be entered into, as principals, are named herein; and that this Proposal is made without connection with any other person, company, or parties making a Bid or Proposal; and that it is in all respects fair and in good faith without collusion or fraud.

That the Bidder has carefully and to his full satisfaction examined the attached Instructions to Bidders, General Conditions, Supplementary Conditions, Special Conditions, Detailed Specifications, and Form of Contract and Bond, and that he has read all addenda issued prior to the opening of Bids; and that he has made a full examination of the location of the proposed work and hereby agrees to furnish, unless otherwise provided, all implements, machinery, equipment, transportation, tools, materials, supplies, labor, and other items and tasks necessary to the prosecution and completion of the work generally described as follows:

Provide structural strengthening to the damaged pre-stressed U Channel that supports the sewer force main over the Indian Creek River. The U Channel may have been impacted by a vessel navigating under the bridge and caused the concrete cover to the pre-stressed tendons to be broken off; it is not clear whether the snapped pre-stressed tendons occurred at the time of impact or if the exposed tendons deteriorated over time to the point that they snapped.

The work includes furnishing all materials, labor, equipment, and services for the supply, installation and finish of all structural strengthening using an externally bonded FRP composite system.

It is proposed that the project herein described shall be constructed for the Total Bid Amount based on the Contract Unit Prices in this Proposal, all in accordance with the requirements and provisions of the Contract Documents. The Town at its sole discretion shall award this contract based on the Total Bid Amount.
