

Urban League of
Broward County

January 29th, 2019.

The Urban League of Broward County is pleased to announce the Atlantic Coast Center of Excellence is accepting applications for Spring Induction into the National Achievers Society. The Spring Induction Service is scheduled for **Saturday, April 27th, 2018**. The application deadline is **Monday, April 22nd, 2018**.

The National Achievers Society is a prestigious National Honor Society, which recognizes students for their academic and cultural achievements. Induction into the National Achievers Society brings nationwide attention to students who demonstrate excellence and provides opportunities for students to receive scholarships.

Membership in the National Achievers Society (formerly known as the Thurgood Marshall Achievers Society/McKnight Achievers) provides enrichment activities for students. The organization also provides opportunities for parents and other interested adults to stay involved in the student's education. The National Achievers Society helps to equip students to identify and meet the challenges of the 21st century. Achievers and their parents have opportunities to participate in community service projects, literacy activities, field trips, academic competitions and a Leadership Conference held in Tampa or Orlando, Florida.

The Atlantic Coast Center of Excellence has inducted over 3,521 students into the National Achievers Society over the past fifteen years. Students are recommended for Induction by their school principals, teachers, churches and community leaders. The society emphasizes values, such as giving back to the community, the importance of studying and academic persistence and it encourages parents to become more engaged in their children's education. For the last fifteen years, hundreds of graduating Achievers have been awarded academic scholarships to colleges and universities throughout the United States.

Applications can be mailed or dropped off at the Urban League office, 560 NW 27th Avenue, Fort Lauderdale, Florida 33311. National Achievers Society Laws of Life Essay

The Laws of Life are core values and ideals by which we live. Honesty, perseverance, and Golden Rule all are examples of these universal “laws” that transcend religions, cultures, and national borders.

To be eligible for induction into the National Achievers Society (NAS) a potential inductee must complete and submit a 250-word (maximum) Laws of Life Essay. The laws of Life Essay requirement offer a potential NAS member the opportunity to think about and communicate the principles that guide his or her life.

As you write your Essay, please select the quotation below that expresses a key value and/or ideal by which you live. Then explain why the chosen value/ideal is important to the way you live your life by discussing your experiences, lessons learned, and people who have served as living examples of your chosen value/ideal.

In a world filled with hate, we must still dare to hope. In a world filled with anger, we must still dare to comfort. In a world filled with despair, we must still dare to dream. And in a world filled with distrust, we must still dare to believe. –Michael Jackson

The ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy. –Martin Luther King

Education is the most powerful weapon you can use to change the world. –Nelson Mandela

You can't let your failures define you. You have to let your failures teach you. –President of the United States of America, Barack Obama.

Education is our passport to the future, for tomorrow belongs to the people who prepare for it today.

–Malcolm X

Education must not only simply teach – it must teach life. –W.E.B. Dubois

Nothing ever comes to one that is worth having, except as a result of hard work. –Booker T. Washington

There are still many causes worth sacrificing for, so much history yet to be made. –First Lady Michelle Obama
