ABOUT THE YMCA OF THE PALM BEACHES

Since 1917, the YMCA of the Palm Beaches has served West Palm Beach and the surrounding areas, working side-by-side with local families and neighbors to strengthen our community. Everyday we work to ensure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive.

The Y has a goal of never turning away an individual or family for needed programs or services because of their inability to pay. Summer Day Camp and Preschool Services are essential for working parents. Each year we award hundreds of thousands of dollars in financial assistance to those who have demonstrated economic need... individuals and families who need our services most. This is only possible through the generosity of our supporters, through donations and events, such as our Annual Prayer Breakfast. Please help the YMCA continue its mission of putting Christian principles into practice through programs that build healthy spirit, mind and body for all.
