The village of Wellington logged 14,940,015 minutes of activity to win Palm Healthcare Foundation Inc.'s sixth annual Let's Move! Commit to Change Physical Activity Challenge. The initiative inspired county residents to complete and log 30 minutes of physical activity each day during the month. Celebrating at the Challenge Celebration were (from left) Wellington Mayor Anne Gerwig; Pat McNamara, president and CEO of Palm Healthcare Foundation; and Kim Reckley, vice president of Community Outreach, PNC Bank.
